If you do not qualify for admission consideration under one of the categories above, McMaster will assess your eligibility as a mature student. You may be considered for limited admission as a mature student, provided both of the following conditions are satisfied:

1. You have not attended secondary school or college on a full-time basis for at least two years.
2. You have never attended university.

Applicants admitted to McMaster as mature students will not be granted transfer credit.

Note: Meeting minimum requirements does not guarantee admission.
General transfer credit requirements

Transfer credit is awarded based on the length of your college certificate/diploma and the cumulative GPA (Grade Point Average) achieved. Transfer credit is assessed and assigned at the point of admission by the Faculty of Social Sciences Office of the Associate Dean Academic. You will receive a separate transfer credit letter within a few days of receiving your offer of admission from McMaster University.

In most cases, college transfer students will receive unspecified general credit (see below). Where transfer agreements are in place between McMaster and colleges, you could receive a mixture of unspecified general credit, unspecified departmental credit, and specific credit.

Credit explanation

Specific credit means that a course you took at college is directly equivalent to a course at McMaster. In your transfer credit letter, you will see the department/program code (e.g., SOCIOL) and the course code (e.g., 1203) indicating specific credit. Unspecified credit means that McMaster does not have an equivalent course but will still grant credit for the course. Courses can be granted as unspecified department credit, meaning the transfer course matches a department at McMaster (e.g., Sociology). Lastly the course can be granted as unspecified general credit, meaning the course does not match a specific course or department at McMaster.

Specific credit: SOCIOL 1203
– This may be used to satisfy specific program requirements and upper-level course requisites.

Unspecified departmental credit: SOCIOL 1XXXX
– This may be used to satisfy program requirements.

Unspecified general credits: UNSPECIFIED 1XXXX
– This may only be used to satisfy program elective requirements.

Transfer credit is granted as a “pass” grade. Letter grades are not entered and credit from other institutions will not count towards your McMaster grade point average (GPA).

Typical transfer credit awarded

<table>
<thead>
<tr>
<th>Program type</th>
<th>Cumulative GPA</th>
<th>Units</th>
</tr>
</thead>
<tbody>
<tr>
<td>1-year certificate</td>
<td>80%</td>
<td>6 units</td>
</tr>
<tr>
<td>2-year diploma</td>
<td>75% - 84.9%</td>
<td>15 units unspecified level 1 credit</td>
</tr>
<tr>
<td>2-year diploma</td>
<td>85% - 100%</td>
<td>18 units unspecified level 1 credit, 6 units unspecified level 2 credit</td>
</tr>
<tr>
<td>3-year diploma</td>
<td>75% - 84.9%</td>
<td>18 units unspecified level 1 credit, 6 units unspecified level 2 credit</td>

<tr>
<td>3-year diploma</td>
<td>85% - 100%</td>
<td>18 units unspecified level 1 credit, 12 units unspecified level 2 credit</td>
</tr>
</tbody>
</table>

If you have completed more than one college certificate or diploma, you may be eligible for up to 60 units of transfer credit.

Specific college transfer credit agreements

Through the pathways listed below, you may receive a mixture of specific credit, unspecified departmental credit, and unspecified general credit.

Lambton College General Arts and Science – Indigenous stream 2-year diploma: Eligible for up to 60 units of transfer credit with a cumulative average of 75%.

Mohawk College General Arts and Science 2-year diploma: Eligible for up to 48 units of transfer credit with a cumulative average of 75%.

Mohawk College General Arts and Science – Indigenous stream 2-year diploma: Eligible for up to 60 units of transfer credit with a cumulative average of 75%.

Mohawk College General Arts and Science 1-year certificate: Eligible for up to 15 units of transfer credit with a cumulative average of 75%.

Sheridan College General Arts and Science 2-year diploma: Eligible for up to 48 units of transfer credit with a cumulative average of 75%.

Sheridan College General Arts and Science 1-year certificate: Eligible for up to 15 units of transfer credit with a cumulative average of 75%.
A brief introduction to our programs

**Anthropology**
Understand human diversity across time and space. Culture, technology, society, politics and history impact so much of our human experience. Anthropologists help us understand these complex relationships which shape our globalized world.

**Economics**
Economics is the science of choice. Understand how individuals, organizations and governments compete for, allocate and make choices about scarce resources.

**Environment & Society**
The Environment & Society program focuses on the dynamic relationship between human populations and the natural, social and built environments they inhabit.

**Health, Aging & Society**
Understand the social impacts of health from an interdisciplinary perspective through a social sciences lens.

**Indigenous Studies**
Indigenous studies focuses on the intellectual and cultural traditions of Indigenous Peoples in the areas of history, language, medicine, health and wellness, creative arts, literature, economy, activism, community and political dynamics, peace building, spirituality, and traditional ecological knowledge.

**Labour Studies**
Understand how work is changing locally, in Canada and across the globe. Explore the future of work.
Psychology, Neuroscience & Behaviour (PNB)
Understand the interaction between brain and behaviour.

Social Psychology
Study the relationship between individuals and society from an interdisciplinary perspective. Courses allow students to understand how people develop over time and behave in different situations.

Society, Culture & Religion
Examine how religion influences and shapes the world. Use an interdisciplinary focus to study how ancient and contemporary human cultures ask and answer the “big questions.”

Sociology
Understand how social relationships, social processes & social institutions function. Examine the root causes of society’s most pressing issues.

Political Science
Understand the impact of power: who has it, how it’s used and to what end. The program considers the key issues that will impact the future of Canada and other countries around the globe.

Social Work
Develop the capacity to analyze personal, community, family and societal problems along with practical skills such as interviewing, counselling, community development, social action and advocacy.

Degree Options

<table>
<thead>
<tr>
<th>Type</th>
<th>Years</th>
<th>Units</th>
<th>Options</th>
</tr>
</thead>
<tbody>
<tr>
<td>Honours Bachelor of Arts</td>
<td>4</td>
<td>120</td>
<td>Option to complete a double major / Option to complete minors / Option to complete certificates</td>
</tr>
<tr>
<td>Bachelor of Arts</td>
<td>3</td>
<td>90</td>
<td>Option to complete certificates</td>
</tr>
</tbody>
</table>

Minors are optional and are typically a collection of at least 24 units. Certificates are optional and are typically a collection of 15-18 units. Students should discuss eligibility for a particular minor or certificate with their Academic Advisor.
How to enroll in McMaster courses

Courses:

- Each course has a code with a department/program, level and unit value.
  For example, ANTHROP 1AA3 is an Anthropology, Level 1, 3-unit course.

  The level of the course ➔ 1AA3 ➔ How many units the course is worth

- 3-unit courses are normally one session in duration and offered either September to December (Fall Term) or January to April (Winter Term).

- Many courses will have smaller tutorial or lab sections, as well as lectures.

- Tutorial/ lab sections are picked with the core course section at the time of enrolment.

- A full course load is 24 to 30 units (i.e. four or five 3-unit courses each term).

Get Ready to Enroll:

What is Mosaic?

Mosaic is McMaster’s student information system. You can use Mosaic to enroll in courses, view your course schedule, access grades, view your advisement report, request a program change, and much more! To access Mosaic you will need an active MacID.

What is an Advisement Report?

The Academic Advisement Report available on Mosaic allows students to track their academic progress and review their program requirements. For instructions on how to access and read your advisement report please review the Academic Advisement Report tutorial on the Registrar’s Office website.

Step 1: Plan
What required courses do you need for the upcoming year? You can find your program requirements by viewing your Advisement Report on Mosaic, or by checking the Undergraduate Calendar.

Step 2: Search
What term/day are your course requirements offered?
After logging into Mosaic select the Student Center tile from the homepage. Once in the Student Center, the Search for Classes button will appear at the top right of the screen. Full year (6-unit) courses can be found in the Fall 2021 Term. Half year (3-unit) courses can be offered in either Fall 2021 or Winter 2022.

Step 3: Add
Add courses to your shopping cart.
As you search for classes, when you find one that you would like to add to your shopping cart click Select Class button.

Once all courses are added to your shopping cart, check to make sure the sections (e.g., C01) you are choosing are not offered during the same time (e.g., both classes start at 10:30 am on Tuesdays) or overlapping. Mosaic will not allow you to enroll in conflicting courses.

While in your shopping cart, consider using the Check Prerequisites option to see if you meet enrolment requirements for the courses you have chosen. If you do not meet enrolment requirements, you can find out what those are by visiting the Course Listings in the Undergraduate Calendar. Each course description in the Undergraduate Calendar provides information on prerequisites, when applicable.

Step 4: Enroll
Typically, you may begin enrolling in courses in June. In your Mosaic Student Center, located under the Academics heading, click on “Enroll” to re-visit your shopping carts for the Fall and Winter Terms. Remember, you will have two separate shopping carts for each Term, which means you will need to enroll in each Term separately. Once you are in your desired shopping cart, you will find the courses you have previously added there. Follow the prompts to complete enrollment.

Step 5: Confirm
Check that all courses receive a green checkmark to indicate that enrolment in the course was successful. If you receive a red x for any course, this indicates an enrolment failure. Read the enrolment error message to understand why enrolment failed. If you do not meet course prerequisites, if the course is full, or if the course conflicts with another course in your shopping cart, you will need to choose a different course. Once you have confirmed successful enrolment, navigate back to your Mosaic Student Center to review and print your weekly timetable for both Terms.

Remember – some courses will fill up quickly, so once you have decided on the courses you want to take, make sure that you complete and confirm your enrolment in the selected courses.

For more tips and tricks on enrolling, visit Build Your Degree website.

*
Academic advising

Academic Advisors support your undergraduate academic experience. Found in the Office of the Associate Dean (Academic), the academic advising team is available to assist undergraduate students to navigate their program of study. It is our goal and responsibility to help you achieve your academic goals and enhance your experience at McMaster and within the Faculty of Social Sciences. For more info visit the Academic Advising website.

The Academic Advisors are available to help you with:

- Developing an academic plan
- Understanding course requirements and changes
- Missing course work or requesting to defer examinations due to illness
- Program selection, application, and changes
- Permission to study elsewhere on exchange or near your hometown
- Referrals to campus resources

Visit our office or contact us at:
✉ Kenneth Taylor Hall, Room 129 ☎ 905-525-9140 ext. 23772 ⌐ socscfac@mcmaster.ca

**Avenue 2 Learn (A2L)**

Avenue 2 Learn is a Learning Management System you will use to access online course materials in many of your courses. Log in using your MacID to the Avenue to Learn website. If you need help learning how to use the website, visit this helpful University Technology Services (UTS) page.

**Email**

Every McMaster student is required to activate a McMaster email account. You can activate your account once you have successfully completed enrolment, just navigate to the login page and use your MacID (found in your offer of admission). Your e-mail address will be in the following format MacID@mcmaster.ca. All email communications sent from students to the university (staff and faculty) must be from the student’s own McMaster University email account.

**Tip:** When you email any representative of the university, include your name OR student number in the subject line so you can be easily identified.

---

*Pending COVID-19 restrictions, visit the Academic Advising website for up to date information on accessing academic advising.*
<table>
<thead>
<tr>
<th>Question</th>
<th>Answer</th>
</tr>
</thead>
<tbody>
<tr>
<td>Do I need to apply for transfer credit?</td>
<td>No, when you apply for admission you are automatically assessed for transfer credit. If you receive an offer of admission you will receive a separate letter outlining your transfer credit.</td>
</tr>
<tr>
<td>If I am admitted into Social Sciences 1 or Social Sciences 2, when do I choose a major?</td>
<td>You can choose a 3-year Bachelor of Arts program after you have completed 18 units. You can choose a 4-year Honours Bachelor of Arts program after you have completed 24 units. You can apply for a major in April, for more information visit the Social Sciences program selection page.</td>
</tr>
<tr>
<td>Once I’ve been admitted into a program can I transfer into a different one?</td>
<td>Yes, it is possible to transfer from one degree program to another, provided all course and entry requirements are met. To inquire about degree program transfers, please contact the Academic Advisors.</td>
</tr>
<tr>
<td>I’ve been admitted, now what?</td>
<td>Make an appointment with an Academic Advisor by submitting a meeting request through the Social Sciences Student Services Portal.</td>
</tr>
<tr>
<td>How do I enroll in courses?</td>
<td>The Registrar’s Office has a helpful guide on enrolling in courses.</td>
</tr>
<tr>
<td>Where can I find a place to live while attending McMaster?</td>
<td>Visit the Living at McMaster website for rental listings, legal information regarding leases, tips for house hunting, and more.</td>
</tr>
<tr>
<td>How much will a year at McMaster cost me?</td>
<td>Visit the Cost Estimator page on the McMaster website to get an expense cost estimate.</td>
</tr>
<tr>
<td>Where can I find all the courses available at McMaster?</td>
<td>The Undergraduate Calendar is McMaster University’s official repository for degree information, program requirements, academic rules and regulations. It lists every course available at the university. You can find this list in the “Course Listings” section of the current undergraduate calendar. When using the undergraduate calendar, it is important to ensure you are looking at the most recent year of the calendar.</td>
</tr>
<tr>
<td>Do I enroll in both terms at the same time?</td>
<td>Yes, it is possible to transfer from one degree program to another, provided all course and entry requirements are met. To inquire about degree program transfers, please contact the Academic Advisors.</td>
</tr>
<tr>
<td>I have a disability or require some form of academic accommodations. How do I receive support?</td>
<td>Student Accessibility Services (SAS) provides academic assistance and related supports to students with documented needs at McMaster. Visit the Student Accessibility Services website for more information.</td>
</tr>
<tr>
<td>When are my tuition fees due?</td>
<td>Please see the Paying Your Tuition website through the Office of the Registrar.</td>
</tr>
</tbody>
</table>
What if the course I want is full?

When there are seats available in a course, it is listed as ‘open’ in Mosaic. When a course is full, it is listed as ‘closed’. The status of open and closed courses is always changing, so check often in case seats become available, should another student drop their seat. You may also choose another course that has space available. Enroll as early as possible after you receive permission to enroll so your access to courses is optimized.

I received an error message that says, “Available seats are reserved and you do not meet the reserve capacity criteria.” What does this mean?

This message means that although seats are available, they are currently only open to certain groups of students (i.e., students majoring in that subject, students in a particular Faculty, or students of a particular Level). This is typically done to ensure students requiring the course for their program are able to obtain a seat. You may directly contact the department to ask when they will be releasing the seats, or keep checking Mosaic periodically for open seats.

How do I check prerequisites for a course?

You can check course prerequisites by visiting the Undergraduate Calendar. Prerequisites and antirequisites will be listed under the course description in the Course Listings section for the most recent year.

How many courses should I take each term?

Your course load should be balanced between Fall and Winter terms. A full course load is typically five courses (15 units per term) but depending on your schedule, you may consider taking a reduced course load. If you’re unsure if a reduced course load is right for you, contact your Academic Advisor. A minimum of 3 courses (9 units) is required each term to be considered a full-time student.

If you are receiving OSAP make sure you are taking the appropriate course load for your funding. If you are unsure how your course load may affect your OSAP funding, you can connect with the Student Services: Aid & Awards Team.

What does “Multi-Term” (MT) mean? How do I add a multi-term course?

A multi-term course typically runs from September to April, over both Fall (term A) and Winter (term B). Students who enroll into the “A” portion (found in the Fall Term) are automatically enrolled into the “B” portion. You cannot enroll into a multi-term (full year) course from the “B” (Winter) portion. If you have successfully enrolled into the “A” portion of a multi-term (full year) course, but the “B” portion is not appearing on your Winter timetable, email socscfac@mcmaster.ca. In order to earn credit in a multi-term course, both the A & B sections must be completed.

What if a mandatory course is closed?

If a course is mandatory for your degree requirements and it is closed, please contact the department that administers the course directly and inquire about permission to enroll in the full course. If permission is given, the department will set Mosaic up so you can enroll yourself, if not keep checking to see if a seat opens up.

What do I do if a mandatory course is closed?

If a course is mandatory for your degree requirements and it is closed, please contact the department that administers the course directly and inquire about permission to enroll in the full course. If permission is given, the department will set Mosaic up so you can enroll yourself, if not keep checking to see if a seat opens up.

What are prerequisites and antirequisites?

A prerequisite is a specific course or subject that you must complete before you can take another course. Antirequisites are courses that cannot be taken before, after, or at the same time as the desired course. This is because the course content is very similar.
Grade Point Average

A Grade Point Average (GPA) is a weighted average of grades in all the courses you have taken. The GPA determines your eligibility to continue at the university and to enter a program. You will be reviewed once you have attempted at least 18 units of work.

Level

Used to describe a student’s progression through a program (e.g., Level 1, 2, 3).

Reviewing Period

Reviews of student records will take place in May and August provided that the student has attempted at least 18 units of work since the last review, or in August if the student is a potential graduand.

Academic Standing

The statement of the academic standing of a student at the end of a reviewing period.

Good Standing

Student is in good academic standing with a GPA of at least 3.5.

Academic Probation

Students with a GPA of 3.0 to 3.4 may continue on probation at the university for one reviewing period and must raise their GPA to 3.5 or above.

May Not Continue at University

Students with a GPA of less than 3.0 are not eligible to continue at university. Students may apply for reinstatement if they wish to continue to study at McMaster, but there is limited space available and reinstatement is not guaranteed.

Program Probation

is assigned to an Honours student whose GPA falls between 4.5 to 4.9 (the probationary band), below the minimum GPA required to stay in the program but still in good standing. Program Probation status allows a student to continue in the Honours program for one reviewing period, after which they must increase their GPA to Honours standing.

Required to Withdraw

will result when a student who has previously been Reinstated (after not being permitted to continue due to a low GPA) and does not maintain the minimum required average of 3.6. These students are required to wait at least 12 months before being eligible to apply for reinstatement a second time. Reinstatement is not guaranteed.

Session

A period of study within the academic year. For example, the Fall/Winter session runs from September to April and the Spring/Summer session runs from May to August.

In most first year subjects students are required to attend tutorials. A tutorial is where a large core lecture class is divided into small groups of about 35 students per tutorial group.

Tutorials may be:

- a chance for a teaching assistant (TA) to explain aspects of the lecture
- a chance for students to talk about the subject or coursework

Generally, students are expected to participate actively in tutorials and often a percentage of the final grade depends on tutorial participation.

Student resources

Social Sciences Academic Advising
Academic Advisors can help you with:
- Developing an Academic Plan
- Understanding course requirements and changes
- Reporting missed course work due to an extended illness
- Academic Plan selection, application and changes
- Permission to study elsewhere on Exchange or near home

socscfac@mcmaster.ca
905-525-9140, ext. 23772
Kenneth Taylor Hall (KTH), Room 129
Monday-Friday: 9:00 a.m. - noon and 1- 4:00 p.m.

Student Services: Aid & Awards Team
The Aid & Awards Team can help you with:
- Applying for OSAP
- Applying for Scholarships and Bursaries
- Getting involved with the McMaster Work Program
- Receiving emergency financial support
- Receiving Indigenous Student Aid & Awards

Office of the Registrar
Chat online: Mon-Thurs 10 a.m. - 12:30 p.m. and 1:30-3:30 p.m.

Student Accessibility Services (SAS)
SAS provides academic accommodation assistance and related supports to students with disabilities at McMaster. They can help:
- Develop an academic accommodation plan
- Adjust to university life by talking to a student support specialist
- Transition to McMaster through their transition program designed to assist students with disabilities or accessibility needs at various stages of their transition process while attending McMaster University
- Find a notetaker

sas@mcmaster.ca
905-525-9140, ext. 28652, Monday-Friday: 8:30 a.m. - 4:30 p.m.

The Student Success Centre
Provides support for students from the moment they accept their offer of admission, up until ten years after graduation. They can help:
- Writing support through the Undergraduate Writing Centre
- Academic Skills development
- Global Opportunities
- Helps international students with academic, personal and professional success through the International Student Services Centre
- Plan past your degree by meeting with a certified career counselor

studentsuccess@mcmaster.ca
905-525-9140, ext. 24254
Gilmour Hall, Room 110
Monday-Friday: 8:30 a.m. - 4:30 p.m.

The Student Wellness Centre
Provides services to enhance your personal and academic success. The Student Wellness Centre can provide you with:
- Counselling
- Medical Care
- Wellness Education

wellness@mcmaster.ca
905-525-9140, ext. 27700

The McMaster Office For the Development of English Language Learners Success Centre (MODEL)
Model provides:
- Workshops with ESL/EAP certified instructors
- One-to-one 45-minute appointments to help get specific help with work
- Individual language assessments

model@mcmaster.ca
905-525-9140, ext. 23718
L.R. Wilson Hall, Room 4047
Monday-Friday: 8:30 a.m. - 4:03 p.m.

McMaster Association of Part-Time Students (MAPS)
Provides support to students studying part-time. You are a MAPS member if you are an undergraduate student taking 15 units or fewer between September and April of the current academic year

maps@mcmaster.ca
905-525-9140, ext. 22021
MUSC, Room 234
Monday-Friday: 9:30 a.m. - 6:45 p.m.

McMaster Campus Store
Students can purchase textbooks, McMaster clothing and accessories, and other school supplies.

905-525-9140, ext. 23718
Gilmour Hall, B101
Monday-Friday: 8:30 a.m. - 4:03 p.m.

McMaster Technology Services

905-525-9140, ext. 24357
Live chat

McMaster Student Union (MSU)
MSU serves students in two main areas; political representation and the enhancement of student life. For a full list of MSU student services please visit the MSU website. Also on the MSU website, you can search through the Clubs Directory. Wish 300+ clubs on campus you’re sure to find something that matches your interests!
