

# SOCIAL SCIENCES UNDERGRADUATE STUDENT RESEARCH AWARD RATING FORM

## Evaluation Criteria

Each reviewer will use the following criteria to score your USRA application based on the merits of your proposal:

### Learning Objectives (30 points)

- What are your learning objectives for your research project?
- What strategies will you undertake to achieve your learning objectives?
- How will the successful completion of your learning objectives be assessed?

### Role in the Research (10 points)

- What is your role in the research project? What methods will you use to conduct this research?
- If complementing or extending another project, what new and distinct learning goals differentiate this project?

### Connection to Academics (10 points)

- What is the connection between your research, and your academic studies within the Social Sciences?

### Overall Research Plan (20 points)

- Overall feasibility of project
- Overall quality of project

### Broader Context of Research (10 points)

- Ability to articulate broader relevance of research project

### Academic Record (20 points)

- Academic record: Cumulative GPA
- Academic record: Most Recent Term GPA

## Additional Comments (optional)

Reviewers will be prompted for additional insight:

- Do you have any comments?
- Do you have any concerns about this proposal?
