 on Decisions Toward Risk of Households in LDCs (CI, with David
 Butterfield, PI, and David Feeny, CI)

Canadian Institutes of Health Research

Health Services and Policy Research Institute

Operating Grant

April 2012 – October 2013, Research Grant (\$138,087), Judgments of
 Equity in Health Care Resource Allocation (CI, with Jeremiah Hurley, PI,
 Neil Buckley, CI, Katherine Cuff, CI, Mita Giacomini, CI).

Sustainable Financing, Funding and Resource Allocation in Health Care: Options, Impacts and Public Expectations Program (New Emerging Teams)

April 2005 - March 2010, Research Grant (\$943,064), Financing and
 Funding Health Care: Exploring Equity and Efficiency Using Experimental

Economic Methods (CI, with Jeremiah Hurley, PI, J. Carr, CI, Katherine Cuff, CI, Mita Giacomini, CI, Michel Grignon, CI, R. Andrew Muller; CI, M. Rahal, CI, G. Wardle, CI).

Corporate Funding

June 1993, Overhead Contribution for the McMaster Experimental Economics Laboratory (\$5,000) from DuPont Canada

Federal Green Plan Programme

July 1993 - June 1996 (extended through December 1997), Research Grant (\$221,000), Experimental Economics Sub-Group of Hamilton Harbour Ecosystem Study (CI, with David Feeny, CI, and R. Andrew Muller, CI).

Social Science and Humanities Research Council of Canada

June 2016 - May 2018, Insight Development Grant (\$44,787), A Laboratory Test-Bedding for the Efficacy of Replacing the ICL Model of ISA 39 with the ECL Model of IFRS 9 (CI, with Kiridaran Kanagaretnam, CI, and Mohamed Shehata, PI)

April 2011 - March 2014, Research Grant (\$136,651), Experiments on Majority-Rule Voting Over the Public Provision of Private Goods (CI, with Neil J. Buckley, CI, Katherine Cuff, PI, Jeremiah Hurley, CI)

April 2008 - March 2011 (extended through March 2017), Research Grant (\$90,000), Managing Common Pool Resources through Output Sharing (PI, with Neil J. Buckley, CI, R. Andrew Muller, CI, Stephan Schott, CI)

April 2000 - March 2003 (extended through March 2005), Research Grant (\$57,260), Laboratory-Based Investigation of Environmental Policy (CI, with R. Andrew Muller, PI)

April 1997 - March 2000 (extended through March 2001), Research Grant (\$49,000), The Effects of Heterogeneous Endowments and Preferences on the Voluntary Provision of Public Goods (PI, with Kenneth S. Chan, CI)

April 1991 - March 1994 (extended through March 1996), Research Grant (\$59,500), Comparison of Market Institutions in a Laboratory Environment (PI, with Douglas Welland, CI).

July 1987 - June 1989 (extended through December 1991), Research Grant (\$29,794), Advance Production in Experimental Markets (PI, with Douglas Welland, CI)

July 1983 - June 1984, Research Component of Leave Fellowship (\$2,500), Social Choice, Externalities and Property Rights

Other Funding

2016 – 2018, Research Grant (\$10,000), The Adequacy of Loan Loss Provisions, Phase II (CI, with Mohamed Shehata, PI, and Kiridaran Kanagaretnam, CI), CPA/DeGroot Centre for the Promotion of Accounting Education and Research

2014 – 2017, Research Grant (\$10,000), The Adequacy of Loan Loss Provisions

(CI, with Mohamed Shehata, PI, and Kiridaran Kanagaretnam, CI),
CPA/DeGroote Centre for the Promotion of Accounting Education and
Research

2010 - 2014, Research Grant (\$10,000), Trust and Alliances (CI, with Mohamed
Shehata, PI, Kiridaran Kanagaretnam, CI), Association of Certified
Managerial Accountants (awarded by the Accounting and Financial
Services Area of the DeGroote School of Business)

CONFERENCE PRESENTATIONS AND WORKSHOPS

Invited Workshops

Presented "How the Collection of Economic Data in Controlled Laboratory Sessions has Enriched the Understanding of Economic Behaviour", Canadian Economics Association, Vancouver, British Columbia, May 2014.

Presented "Experimental Economics/Decision Workshop" (with David Cameron, Neil Buckley, and Stephanie Thomas) at the Social Sciences Research Laboratories, University of Saskatchewan, 1 PM - 4 PM, 22 November 2012 and 9 AM - Noon, 23 November 2012.

Presented "Quantity Precommitment with Posted Prices or Market-Clearing Prices" (based on collaborative work with David Goodwin) in an Economics seminar, University of New Brunswick at Saint John, September 2006.

Presented "The Impact of Sex, Value Orientations and Risk Attitudes on Trust and Reciprocity" (based on collaborative work with Kiridaran Kanagaretnam, Khalid Nainar and Mohamed Shehata) to the Department of Social Sciences, University of New Brunswick at Saint John, September 2006.

Presented "The Impact of Sex, Value Orientations and Risk Attitudes on Trust and Reciprocity" (based on collaborative work with Kiridaran Kanagaretnam, Khalid Nainar and Mohamed Shehata) to the Department of Management, University of Toronto at Scarborough, September 2006.

Participant at Evidence-Based Public Policy: New Tools from Experimental Economics, Policy Research Initiative and the Center for Interuniversity Research and Analysis on Organizations, Ottawa, October 2005.

Presented "Pollution Markets" at the Eleventh Visiting Graduate Student Workshop in Experimental Economics at the Interdisciplinary Center for Economic Science at George Mason University, August 2005

Presented "Output Sharing Among Groups Exploiting Common Pool Resources" (based on collaborative work with Neil Buckley, R. Andrew Muller and Stephan Schott) at the Schulich School of Business, York University, October 2004

Presented "Output Sharing Among Groups Exploiting Common Pool Resources" (based on collaborative work with Neil Buckley, R. Andrew Muller and Stephan Schott), City University of Hong Kong, International Conference on Experimental Methods in Economics and Finance, June 2004.

Presented "Market Institutions and Social Dilemmas" First Canadian Workshop on Laboratory Experimental Methods in Behavioral-Economic-Social Sciences, CIRANO, Montreal, November 2002.

Presented "An Experimental Evaluation of Partnerships as Common Pool Resource Management Instruments" (based on collaborative work with Stephan Schott, Neil Buckley and R. Andrew Muller), CIRANO, Montreal, June 2002.

Co-leader of Workshop on Market Institutions, McMaster University - DeGroot Summer Research Conference on Experimental Economics Research Methods, May 2002 (collaborated with Barbara Bloemhof, Neil Buckley, and Mohamed Shehata).

Presented "Results of Three Market Sessions", McMaster University - DeGroot Summer Research Conference on Experimental Economics Research Methods, May 2002.

Presented "Closing Comments", McMaster University - DeGroot Summer Research Conference on Experimental Economics Research Methods, May 2002.

Presented "Heterogeneity, Communication, Coordination and Voluntary Provision of a Public Good" (based on collaborative work with Kenneth S. Chan, Rob Moir and R. Andrew Muller), Department of Economics, Mount Allison University, October 2001.

Presented "Can Auctions Control Market Power in Emission Trading Markets?" (based on collaborative work with R. Andrew Muller, John Spraggon, and Rob Godby), Department of Economics, Lakehead University, March 2000.

Presented "Can Double Auctions Keep Market Power from Emerging in Emissions Trading Markets?" (based on collaborative work with R. A. Muller, John Spraggon, and Rob Godby), in A Session in Honor of Charles Plott, Southern Economics Association, New Orleans, November 1999.

Presented "Laboratory Economics and Environmental Policy", John F. Graham Lecture, 27th Annual Meeting of the Atlantic Canada Economic Association, Saint John, October 1998.

Presented "Heterogeneity and the Voluntary Provision of Public Goods" (based on collaborative work with Kenneth Chan, Rob Moir, and R. Andrew Muller), University of Guelph, November 1997.

Presented "For Sale: A Licence to Pollute", University of New Brunswick, Saint John, October 1997.

Presented "Experiments in Upper-Level Undergraduate Courses" and participated in the panel on "Classroom Experiments", Economic Science Association, Tucson, September 1997.

Presented "Testing Alternative Marketable Permit Systems" (based on collaborative work with Rob Godby, R. Andrew Muller, and Doug Welland), Symposium on Comparative Environmental Policies, American Association of Agricultural Economics, July 1997.

Presented "Laboratory Experiments and the Design of Emissions Trading Programs" (with R. Andrew Muller), Pilot Emission Reduction Trading Group, Toronto, October 1996.

Presented "What Have We Learned From Emission Trading Experiments" (with R. Andrew Muller), Ontario Natural Gas Association Environment Committee, Toronto, August 1996.

Presented "The Effects of Income, Tastes, and Information on Voluntary Contributions to Collective Action" (based on collaborative work with K. S. Chan, R. Moir, and R. A. Muller) in the McMaster Eco-Research Program Seminar Series, October 1995.

Presented "Homogeneity and the Voluntary Provision of Public Goods" (based on collaborative work with K. S. Chan, R. Moir, and R. A. Muller) at the meetings of the Canadian Public Economics Study Group, Waterloo, May 1995.

Presented "Emissions Permit Trading: An Evaluation of Canadian Proposals" (co-presented with R. A. Muller, based on collaborative work with R. Godby, R. A. Muller, and J. D. Welland) at the Economics Instruments Workshop, Environment Canada and the Great Lakes Pollution Prevention Centre, Ottawa, February 1995

Presented "Emissions Trading with Shares and Coupons: A Laboratory Test of Canadian Proposals" at the

University of Toronto, Public Finance Workshop, March 1994

Regulatory and Economic Affairs Division, Environment Canada, Ottawa, June 1993

California Institute of Technology, Pasadena, May 1993

University of Arizona, Tucson, April 1993

University of New Mexico, Albuquerque, April 1993

University of Colorado, Boulder, April 1993

University of New Mexico, Albuquerque, October 1992

[These presentations were co-presented with R. A. Muller based on collaborative work with R. Moir and R. A. Muller]

Presented "Experimental Economics: Approaches to Managing a Common Pool Resource" in the McMaster Eco-Research Program Seminar Series, November 1993 (jointly presented with R. Andrew Muller).

Presented "The Voluntary Provision of Public Goods Under Varying Endowment Distributions" (based on collaborative work with K. S. Chan, R. Moir, and R. A. Muller) at the University of New Mexico, Albuquerque, April 1993

Presented "Experience and Clearance Sales: The Performance of Alternative Trading Institutions When Inventories May be Carried" (based on collaborative work with J.D. Welland) at the University of Waterloo, April 1992

Presented "Clearance Sales and Market Performance in Posted Offer Markets" (based on collaborative work with J.D. Welland) at the University of Colorado, October 1990

Presented "The Performance of Alternative Market Institutions" (based on collaborative work with J.D. Welland) at Lakehead University, October 1990 .

Presented "Inventory Management and the Efficiency of Alternative Market Institutions" (based on collaborative work with J.D. Welland) at Trent University, December 1989

Presented "Experimental Economics Approaches: A Public Goods Experiment", SSHRCC Occasional Scholarly Conference on Emerging Common Property Theory for Resource Management, Brock University, January 1987.

Presented "Using a Simulated Market to Teach Economics Principles", Teaching and Learning Seminar Series, McMaster University, March 1986.

Presented "Market Sessions for Use in the Classroom", Hamilton, Wentworth and Halton PSSB History and Social Sciences Professional Development Day Programme, Hamilton, November 1985.

Presented "Advance Production in Posted Offer and Double Auction Markets", University of Regina, November 1985 (work co-authored with D. Welland and J.D. Welland).

Presented "External Diseconomies and Production Subsidies: Partial versus General Equilibrium Analysis" at Northeastern University, Boston, May 1980.

Presented "General Equilibrium Analysis and Corrective Production Subsidies" at the Bureau of Economic Research, Dacca University, Dacca, Bangladesh, January 1980.

Conference Participation

[Abstracts were submitted to programme organizers of the meetings of the Public Choice Society, the Economic Science Association, the International Association for the Study of Common Property, the Southern Economic Association and the Canadian Economics Association, who select papers for presentation, discussants, and programme chairs. Most papers are accepted for presentation, but not all papers are accepted. None of the presentations followed rigorous peer review that resulted in reviewer reports.]

Presented “Are Notions of Fairness Path Dependent” (based on collaborative work with Stan Hu and William Scarth), 50th Annual Meetings of the Canadian Economics Association, Ottawa, Ontario, June 2016.

Presented “The Public Provision of Private Goods” (based on collaborative work with Neil Buckley, David Cameron, Katherine Cuff, Jeremiah Hurley and Stephanie Thomas), 43rd Annual Atlantic Canada Economics Association, Wolfville, Nova Scotia, October 2015.

Presented “An Experimental Analysis of Equity in Economic Exchanges” (based on collaborative work with Mohamed Gomaa, Khalid Nainar and Mohamed Shehata), Canadian Economics Association, Toronto, Ontario, May 2015.

Presented “Appropriation from a Common Pool Resource: Effects of the Characteristics of the Common Pool Resource, the Appropriators and the Existence of Communication” (based on collaborative work with Neil Buckley, R. Andrew Muller, Mackenzie Rogers, Stephan Schott and Jingjing Zhang), 42nd Annual Conference of the Atlantic Canada Economics Association, Truro, Nova Scotia, October 2014.
