- Make sure that your McMaster email address is working and your contact information is up to date with the school office. You may be asked, by the agency, for an alternative email address that will be able to receive large documents with respect to placement.

  **On your first day of placement, please:**

- Complete your WSIB forms at your first meeting with your placement supervisor and return the white copy back to the school. Leave the yellow copy with the placement.
  The form itself may be changing, so this may be revised.
  *(Please note that all students are covered by WSIB through McMaster University. We ask that all four of the WSIB forms be completed to ensure that both the Agency, the Field Instructor and the Student are aware of the WSIB coverage.)*

- Confirm that you placement supervisor has a copy of the Field Instruction Manual

- Confirm placement supervisor has a copy of the course outline

*** In order to avoid any complications or delays, please allow enough time to ensure all the necessary documents are completed prior to beginning your placement. Communicate with the agency/field instructor well in advance of your start date.***
